PARENTING TIP OF THE MONTH Parenting Tip #165

Family time matters, as much when our children age as when they are young. It helps to ensure this happens by building traditions that everyone partakes in regularly. Traditions that everyone looks forward to and enjoys - pizza and movie nights, a special breakfast after attending Mass, games night – anything that brings you together for fun will do. The emotional health of children with these kinds of connections is stronger throughout their lifetime. As a family, plan your together time weekly and remember to share meals together daily, whichever meal of the day that has to be. With a solid family foundation, your connectedness can and will stay intact as your children grow older.

MARRIAGE TIP OF THE MONTH Marriage Tip #145

January is a perfect time to sit together as a couple with a good cup of coffee or hot chocolate and do a little year in review. Did we spend enough time with each other and with our families? What went well for us and where do we recognize challenges? Discuss how these things could be better in 2025 and commit to making it happen for your couple relationship. A little marriage reflection and tune-up can keep the sparks alive!

SUPPORT FOR YOUR MARRIAGE –

Does your marriage feel like it is more trouble than joy, does it feel stagnant or disconnected? Is it causing you constant stress? The solution is Retrouvaille – whose one purpose is to help couples restore their marriage and rebuild a loving relationship. This is a practical program, where sharing is not required except between the couple themselves. It is designed to improve communication, build stronger marriages, and help couples reconnect. For struggling couples, including those who may be considering separation or divorce.

The next Retrouvaille weekend is March 7-9, 2025. For more information call 905-664-5212 or 1013r@helpourmarriage.org.
